Re: Hunter Pasteur Homes

Dear Ms. Tinberg,

It is my pleasure to recommend Hunter Pasteur Homes, specifically Randy Wertheimer and his team, for their proposed development project in the City of Northville.

Hunter Pasteur Homes recently developed the Stonegate Subdivision in Orion Township. Stonegate is a single-family home community located at the southeastern limits of Orion Township. It was a very challenging site for a multitude of reasons, that Randy and his team were able to successfully overcome to produce a truly superb residential addition to the Township. Most recently, the Lake Orion Superintendent purchased a home in this community and could not be happier with his decision!

Randy and his team have displayed reliability and honesty in their partnership with the Township on this development project. As I am sure you can agree, such integrity is important to a municipality, especially when developments and redevelopments are concerned.

Should you desire more specific information about Hunter Pasteur Homes, please do not hesitate to contact me, or other members of my team here at Orion Township.

Sincerely,

Chris Barnett
Township Supervisor
